Dear DOJ,

Over the past 20 yrs one cannot help but see the Lawyer Organization may mean well, but the road to hell is always paved with half-truths.

It's sad to see this stand-off has nothing to do with the well being of the people. In a comical way, it appears our States are employing a reverse Enron run. Please think of America's future in your decision, we have enough economic stress.

Sincerely, Bob Warren Towaco NJ.
